## Introducing...

**Janis Stovall, Residence Director**

Janis Stovall is the new Residence Director for The Windsor of Palm Coast. Along with Janis' passion for seniors, she brings many years of experience in Financial and Operations Management. A native to Tennessee, Janis always dreamed of moving to sunny Florida. She finally made the move a year ago and hasn't looked back since!

Janis' passion for senior care began when her mother, Geneva, was diagnosed with Dementia several years ago. Janis is still very involved with her care and has learned firsthand the emotions and decisions families in this situation face. This dedication for caring for her mother carries over to the residents she is excited to welcome at The Windsor of Palm Coast.

**Debbie Ronson, Marketing Director**

**Debbie Ronson** is the new Marketing Director for The Windsor. Although Debbie is proud to say she is originally from Madison, Wisconsin, she has spent over half her life in Florida and now considers herself a southerner. Debbie comes with several years experience in the Senior Living Industry as both a Sales Counselor and a Director of Sales and Marketing in Retirement Communities. "I am thrilled to be part of an organization whose main focus is to strive to create a positive, supportive and healthy lifestyle for seniors", said Ronson. "The Windsor's proven dedication to their family of residents is what drew me to this company." Debbie is looking forward to meeting you and your family in helping to make The Windsor of Palm Coast your new home.
